

# Clean Oil - for your Offshore Applications

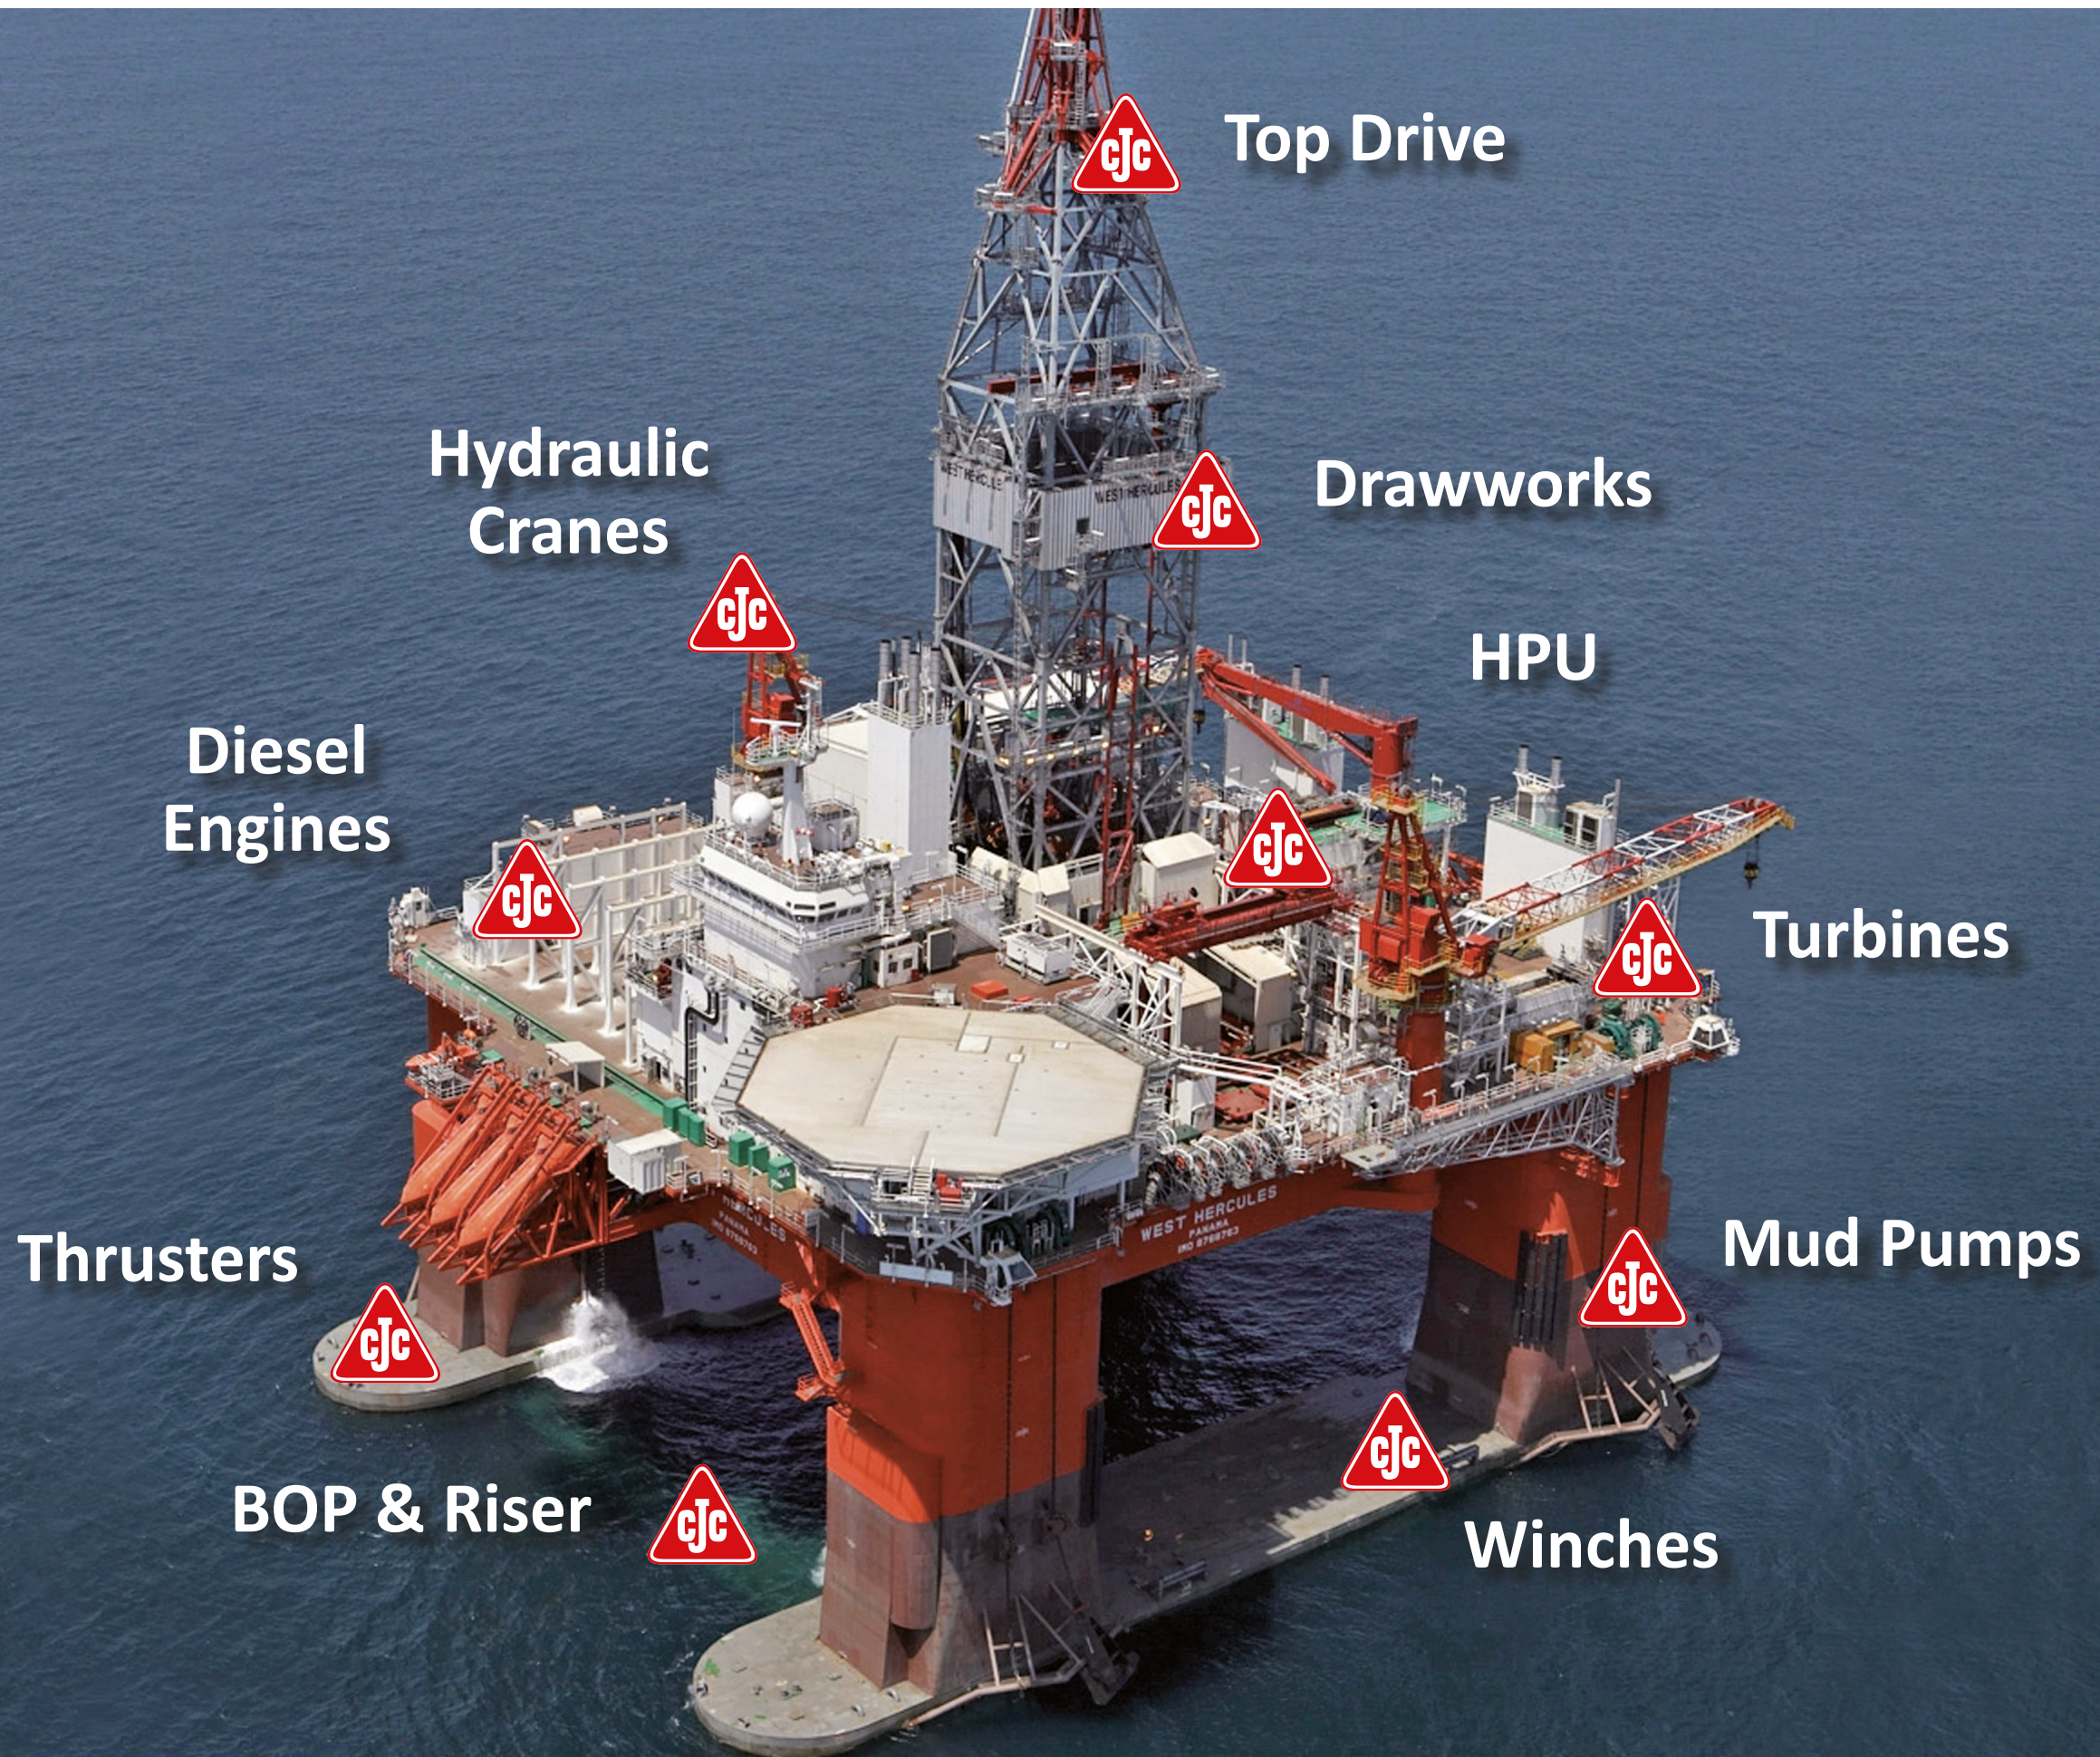

## C.C.JENSEN

Your trusted, innovative partner supplying offshore oil filters for the offshore drilling market for more than 60 years.

## Availability & Reliability

Clean oil helps you avoid drilling downtime due to breakdowns, thus increasing your equipment reliability!

C.C.JENSEN A/S designs and manufactures oil filtration systems for hydraulic fluids, lube oils and diesel fuels.

## Rig & Drill Ship Types

- Drill Ships
- Drill Rigs / Semi Submersible
- Jack-up Rigs
- FPSO
- Production Platforms

## Applications

- HPU
- Diesel engines
- Thrusters
- BOP & riser fluids
- Cranes
- Winches
- Gearboxes
- Drawworks
- Skidding systems
- Turbines
- Mud pumps
- Ram rig
- Pipe handling equipment
- Top drives
- Bilge water systems
